## Senior Executive Board

We, the Senior Class of 1969 would like to express our feeling toward South Side—Thank you! Let us look back at the pleasing years at South Side and keep in our minds the days of doing homework, going to detention, attending the junior and senior class dances, attending the basketball and football games, and also enjoying the presence of our friends.

The day we have all been waiting for since the first class we attended at South Side is finally here. We are all happy, proud, and excited. Although we will be smiling and congratulating each other, there will be sadness deep down in our hearts. Our school years have provided the skills for the outside world. Some of us plan to go on for a higher education, some of us plan to enter into business, some of us plan to work, and some even plan to marry. Whatever we plan to do, if we look at the specific aim with feasibility and assurance, success will follow.

In our last farewell we, the Senior Class, would like to extend our deepest thanks to our teachers, Dr. Litzky, Mr. Barrett, and most of all to Mrs. Greene and Miss Lowe our class advisors.

## *Football '68*

As in the past several years football has been one of America's favorite sports and with South Siders it always will be. A spirited black and gold Bulldog football squad opened their season with a victory over Vailsburg High.

As always the South Side squad pulled off a string of upsets. The first upset was with Barringer High who was favorite to win, but quarterback Joe Epps and his firststring horsemen shut-out Barringer. South Side without Andy Bryant, who was injured in the East Side contest, went to Plainfield for a win.

This year South Side and Weequahic started a new series on Thanksgiving Day. The South Side squad, who finished second place with only one loss, on Thanksgiving Day stopped Weequahic from being undefeated in the city and spoiled many dinners for the Weequahic fans.

South Side placed second in the state in Group 3 and was in the top five in defense in the state. The '68 squad was the third best record that Coach D. has had since he became head coach.

This year the South Side High School Band had a fairly good year under the direction of their new music instructor Mr. White. The major role of the band is playing at football games, school rallies, concerts, and assembly programs.

## Basketball Team

South Side's Basketball Team had a spectacular season. The starting five—Foster, Latta, Davis, Clark, and Smith—and the other team members won the Hillside Christmas Tournament. The Essex County Tournament showed South Side winning Livingston, Valley, Orange, and Vailsburg! Besides Essex County champions, S.S. set a record for the most victories (single games won). South Side finished with a record of 21-4 and won 21 of the last 22 games. For the State Tournament we beat all opponents and romped over Lincoln in the final game by a score of 60-43.

UP, UP and AWAY

1969 was a rebuilding year for South Side. After having a good year in 1968 many of the boys graduated leaving Coach Capasso with the job of starting a new young club.

It was a difficult start, but after some practice sessions the boys started to pick up the pace. Boys like Marcellus Green who fought hard in the 200 yard free style and many times finishing a close second, our 40 yard free style swimmers Henry Suber and Dallas Thomas who were just touched out on many occasions at the finish. In the other events co-captain Harry Branch saw much improvement and success in the breast-stroke events and co-captain Barry Gordon scored points in the 100 yard free style.

Freshmen on the squad showing improvement are Nathan Stone in the backstroke, William Smith and Russell Maye in the free style, and Mark Dicks in the distance events. With this nucleus Coach Capasso feels the team will have much success in the coming years.

King Neptune is biting.

## *Bowling*

"Strike!!" The members of the Thursday afternoon bowling team can be heard yelling this familiar word. Meeting every week at Centre Lanes, their season extends from October to March. Anyone with adequate funds is eligible to bowl.

There goes the ball!!!

## *Fencing Team*

I got you!!

The Fencing Team compiled an overall 6-2 win-loss record for the 1968-69 season. The varsity team took second place in the city fencing meet. Phil Jordan led the varsity with a perfect 6-0 record followed by Leonard Logan with a 4-2 record and Alton Franklin with a 3-3 record.

The J.V. Fencing Team won the city title led by Carl Simmons 6-0 record, Taswell Goode 5-1, and Cornell Robinson 3-3.

# Baseball

Sock it to me!

The 1969 Baseball Season saw the return of seniors Leo Rosebure at catcher, Bob Juchem at first base, and Larry Brown as a utility infielder. Returning underclassmen were Jose Hernandez as ace lefthander, Lee Hurt at second base, Lonnie Salter at third, and Tony Sumpter pushing for first.

Ray Clark and Mike Gladney were shortstop and first base. Coaches Capasso and Murray believe that "the will to work is the will to win." This year, besides trying to climb up higher in the city standings, the members of the squad were competing for a total of nine trophies.

## Outdoor Track

The team had a successful year in "69." With the coaching of Mr. DelGuerchio the team soared to several traditional Black and Gold victories. Participating in both track and field events, the team successfully ran the hundred and two-twenty yard dashes. Also the team did extremely well in the 440-yard run, the 880-yard run, and the 2-mile. The outdoor track team faced their opponents in broad jumping, high jumping, hurdles, and shot-put.

Fling that thing!

We, the Swift Senior Class of 1969 have carefully chosen a number of all around friends, to whom we hereby dedicate our LAST WILL AND TESTAMENT. May all of those included in this most valuable and humorous Will accept the fact that it is upon you to think about and observe the things said,—and then “DIG YOURSELF”!!?!!
